PALESTINE WAR THREATEN

County-wide Vote Is Drawing Near

IMPORTANT ROAD **ELECTION BE HELD** SATURDAY, MAY 11

VOTERS TO DECIDE ON ADDITIONAL TAX LEVY OF FIFTEEN CENTS

Plans for the election, May 11, when Navarro county citizens will decide whether they will take the first sten for a farm-to-market system of roads, have been made by county officials. The election is to determine if an additional 15 cent road and bridge levy is to be made on the \$100 valuation on real and personal property.

Coupled with the proposition is a recent resolution passed by the Navarro county commissioners court to the effect that in the event the electorate authorizes the levy of the additional 15-cent road and bridge tax that a competent county engineer will be employed to lay out, design, construct and maintain a system of farm-to-market roads. This action was taken following a county-wide mass meeting held here several weeks ago

Additional Gas Tax.

Additional Gas Tax.

Another factor decided upon at the mass meeting was to urge all members of the Texas legislature to levy an additional one-cent per gallon tax on gasoline for farm-to-market roads. The state is constructing 52.2 miles of lateral roads in a three-year program in Navarro county.

Navarro county.

Should the engineer be employed, the commissioners court would not surrender any of its policy fixing powers, but will have the expert advice of the trained engineer to effect wings it road maintenance and construction. The egineer will be subject to and answerable to the commissioners court at all times.

CONGRESSMEN AGAINST JOINING BRITAIN IN FIGHT, FAVOR JEWS

By ALEX H. SINGLETON WASHINGTON, May 2—(AP)—The United States shied away from the prospect of direct intervention in Palestine, apparently counting on the United Nations to assume future responsibility for the trouble-some Holy Land problem. Although congressional opinion

NOTE, CALLED "NEXT TO ULTIMATUM" IS DELIVERED THURSDAY

JERUSALEM, May 2.—(P)—An Arab high committee official said today the committee had delivered to Britain a letter the "next thing to an ultimatum," rejecting the Anglo-American Palestine recommendations and declaring Arabs now will "prepare all means for defense in order to resume the national struggle."

Ahamed Shukairy, director of the Arab office, told reporters the letter meant that an Arab uprising, similar to those of 1936-1939,

was threatened. Shukairy read to reporters the letter which the committee had dispatched through the British high commissioner in Palestine to

the British cabinet. Two-Minute Meeting.

"Dr. Izzat Tannous (the higher committee secretary) and myself presented the letter in a formal two-minute meeting with the high commissioner's secretary," he said. "In our view, if Britain implements the report (of the Anglo-American inquiry committee), those two minutes will pass into history as historical seconds."

Terming the letter as the next thing to an ultimatum, Shukiary said the national struggle mentioned in the letter referred to the 1936-1939 uprisings which ended when the British white paper of 1939 limited Jewish immigration.

FORT WORTH, May 2.—(A)— Worth and Miami, Fia., was made Sun Want Ads Bring Results. Directors of Texas Technological College will ask the government for use of the Pan-Tex ordnance plant property near Amarillo for use as an agricultural experiment

The action was taken at a meetling here yesterday. President W. M. Whyburn of the college said the plant and its 8,500 acres are wanted to study "wheat poison" which annually kills cattle valued at more than \$1,000,000.

Roger A. Harris of Dallas, representing the War Assets Administration, said the WAA regarded the project favorably.

Directors also: Authorized issuance of \$4,000,000 in revenue-bearing bonds to finnace building of four new dormitories. Approved a stricter preference for Texas veterans and residents in enrollment.

The directors will meet again; June 3, but a special session may be called for May 30 at Vernon when Whyburn will confer a doctor of laws degree on Attorney General Tom C. Clark.

East Brown street, Ennis, became the bride of Walter J. Story, son of Mr. and Mrs. H. B. Putman of Quechee, Vermont, April 23.

The evening double ring ceremony was performed at the home of the Rev. Robert C. Fing, who officiated. A small group of relatives and friends attended. The bride wore a white suit with black accessories. Her flowers were pink carnations.

A native of Rice, the bride moved to Ennis several years ago. The bridegroom served three and was in India for 14 months.

Mr. and Mrs. Story will be at home in Quechee.

DR. A. CASWELL ELLIS CIVITAN SPEAKER; ARMI-STEAD NEW PRESIDENT

Increased educational facilities were proposed by Dr. A. Caswell Ellis of the Hogg Foundation, University of Texas, as a method of leading the United States out of its financial and economic perils when he addressed Civitan Club members Thursday at noon in the Navarro Hotel.

"We have our choice," he state.1.

Frained Leadership.

"Wherever there has been introduced trained leadership, productive capacity has been increased 1,000 per cent," Dr. Ellis stated, "Our productive capacity back in 1011 was 33 billion dollars annually. In the first year of the war we tripled this figure and in the four years of the war we raised it to 160 billion dollars. We did this by training our citizenship, and by increasing our faculties."

The United States now faces a national debt of 300 billion dollars, he asserted, "and the key to this problem lies with our productive expacity. More power, more machinery, more production will be made possible by more training,

But what action the council could or might take is uncertain, for thus far it has no military forces to back up its decisions. Until U. N. takes some action on trusteeships, Britain presumably will retain the mandate over Palestine she inherited from the League of Nations in 1922.

Mrs. Brownng cried in one of her passionate poems,
"Oh heart of mine, art thou great enough for love?"
That same question poses itself before our own decisive days. We have proved ourselves great enough for war, with its hatreds and bloody butcheries. But are we great enough for love—love for our dafeated enemies, love for Russis, love for Asia, and for Latin America? Is the master passion of our peace?

was named district chairman, succeeding G. H. Wilemon, Kerens superintendent, and A. G. Sebastian, Mildred superintendent-coach, is the new secretary.

The two teams with the highest percentage at the end of the regular season will play for the district championship and the right to compete in bi-district play Nov. 22. In the event there are two teams tied for second place, the one with a win in the previous competititon during the fall will be certified. If the two had previously tied, a flip of the coin will be made to determine the one to compete, according to action taken Monday afternoon. District play will start October 4 and non-conference games will be arranged prior to that date.

The visiting teams will be given a \$25 guarantee and admission prices will be 40 cents plus tax for night games for aduits. Bands will be admitted in uniform from the contesting teams.

do not know. The point of the story is that John—James having been early eliminated as the first martyr of the Band—was transformed from the quick-tempered, rash-acting "son of thunder" into the chief apostle of love.

He who leaned on Jesus' breast saw closest into His heart. He lived to write the love letters which are the three last books of the Bible, next to the Book of Revelation which he also wrote. His gospel has been the school and counselved by the last of the school and counselved by Revs O. B. sellor and comfort of Christians Barton and Herbert McKissack. Surviving are her husband of sellor and comfort of Christians, in all ages. John summed up the losspel in one word, "love"; he illustrated the meaning of love with one word, "Christ."

There is a well-known legend concerning John's last days, after he had been released from Patmos. He was Bishop of Ephesus, of great age, and feeble in body. It was the usage to carry John in a chair to the assembly of the Christians, when he blessed the people and gave them a message, always on the topic of love. It seemed as if he had become a one-sermon preacher.

Yellowed with age, the deed was handwritten in brown ink and was legible, although the right hand lower corner was missing. All signatures had withstood the ravages of the years.

The deed was from J. J. Coursey, to A. L. Smith for 25 acres more or less of the Headright of Elizabeth Scott.

TWO-MILE RECORD IN **SOUTHWEST LOOP IS** LIKELY TO STAND

COLLEGE STATION, May 2 .-(P)-It looks like the grandad of Southwest conference track records-that two-mile mark of 9:32.4 set in 1925 by Sandi Ecquivel of Texas—will have to stand for at least another year. There's a guy at Texas A, and M, who might crack it if he didn't have other things to do.

Runs Mile, Too.

Runs Mile, Too,

For awhile this season it appeared little Johnny Zeigler might turn the trick when the annual conference meet is held on his home track at Kyle Field here next week. But the fact remains that he will have to run in the mile earlier in the meet and that probably will take too much out of him to be aiming at the two-mile record. That is, unless he's pushed.

pushed.
Earlier this season Zeigler, the ex-paratrooper, uncorked a two-mile jaunt in 10:02,4 against Texas in a dual meet and that arousas in a dual meet and that aroused the feeling that he might be able to do something better in the conference affair, but after all, he would have to knock off an even 30 seconds from his best time to tie the record and both Col. Frank Anderson and Ray Putnam, his coaches, say they are afraid the boy can't do that after he has run the mile.

Better When Pushed.

They point out that Webster Stone, a teammate, closed fast .r the Texas dual meet and Zeigler thinking it was a Longhorn instead of an Aggie, put on his kick earlier, thus turning in the fast time. Stone probably won't push Ichney again ribs season. time. Stone probably won't push Johnny again this season. He cracked a bone in his foot recentcracked a hone in his foot recently and does not have the speed he boasted in the Texas meet.

Zeigler is no newcomer to Southwest conference track. He was conference champion in the two-mile in 1942 when he won in 10:22 and the previous fall had set a new cross-country conference record when he made the long distance in 12:09.0. Johnny was in the service in 1943, 1944 and 1945.

LOUISVILLE, Ky., May 2.—(P)—
The "Knock-Down-the-Favorite" Club moved in for its annual Kentucky Derby delirium today and decided that if Lord Boswell is going to lose, it might very well be something like Dark Jungle who would do it, simply because no one knows much about him except he can run.

Now, the KDTF fraternity was just as dizzy, at the moment, as anyone else in this derby-daffy city which is bulging at the seams. The withdrawal of the popular In Earnest yesterday, on top of the previous elimination of Mist O'Gold, figured to make Saturday's scramble easier for Lord B, what with two of his classier challengers scratched and the expected muddy track threatening others.

The one to beat is, of course, the sturdy, stretch-running Lord Boswell from the barn of Cosmetics Queen Mrs. Elizabeth Graham, But there are any number of exports—

made between the commands of men and the commands of God. The Pharisees sought to trap Christ, and the allwise Jesus turned the tables by asking: "The baptism of John, was it from Heaven or from Men?"

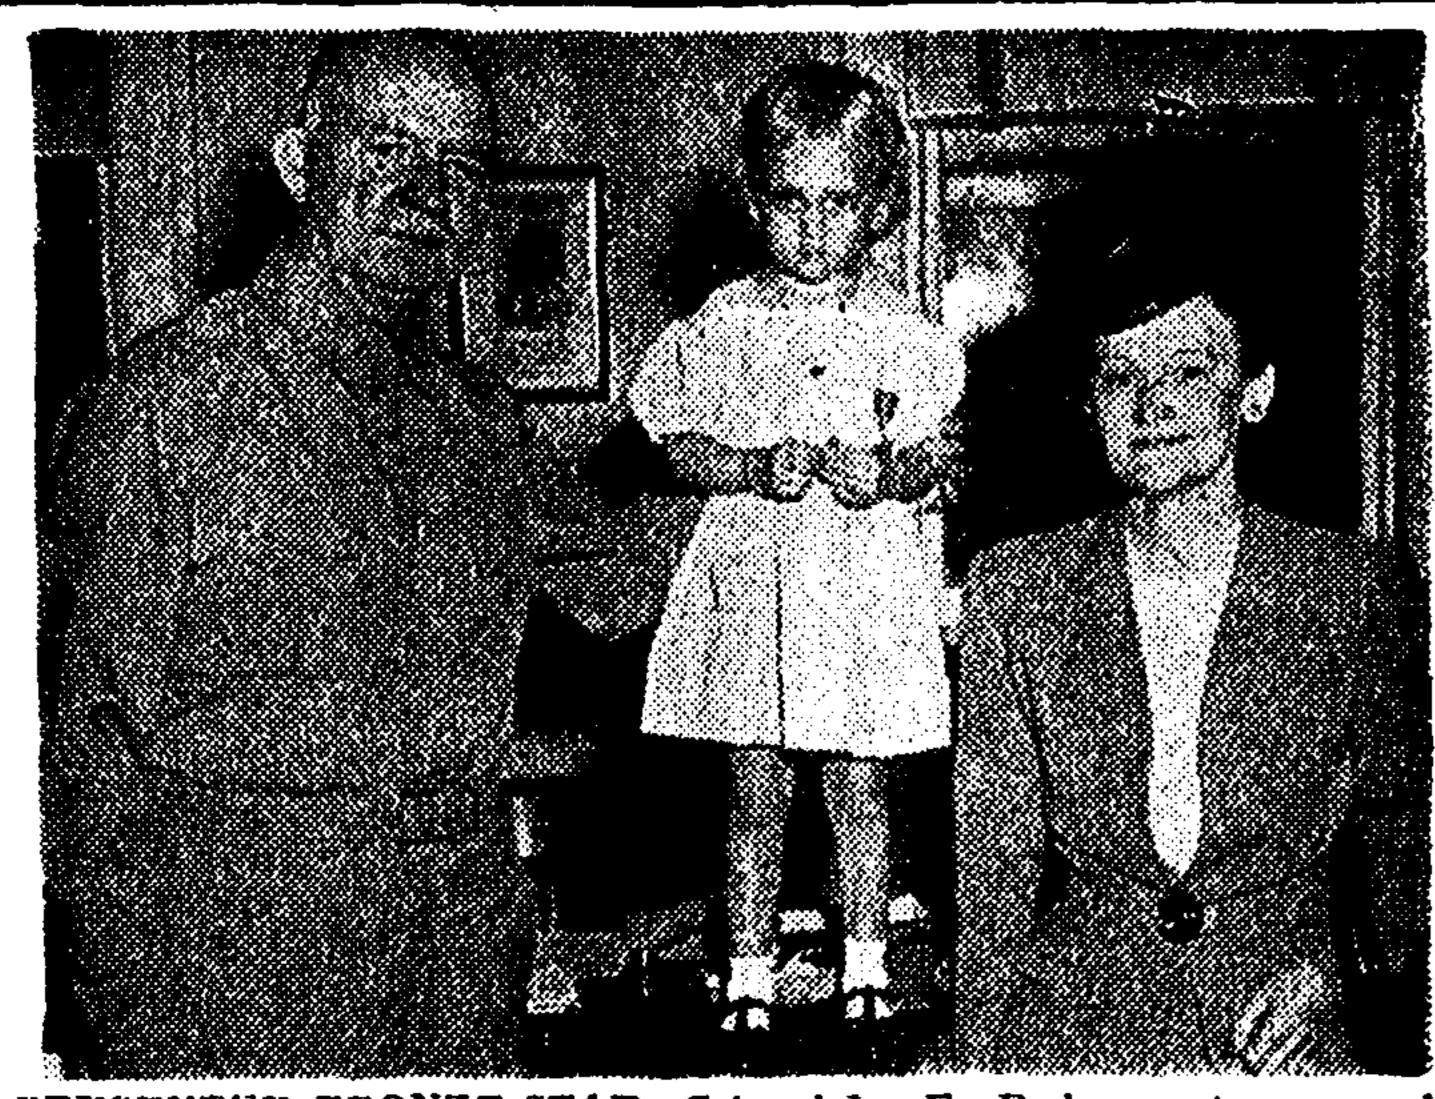

In this world are hundreds of religious doctrines-some of them from God and many others from men. Truth does not contradict. Since these religious doctrines contradict, they cannot all be the truth and cannot all be from Heaven. Those that are not from Heaven are from men.

Jesus, speaking on this subject, said, "In vain do ye worship me, teaching for doctrines the precepts and commandments of men." It is necessary to examine the basis of our religious faith. Why do we believe and practice as we do? Are these beliefs and practices from Heaven or from men? If a careful examination of God's word reveals they are from Heaven, nothing should make us happier. But, if they are from men, the only thing for us to do is to discard them, for Jesus says we are wasting our time worshipping him with such.

NAVARRO COUNTY'S NATIVE SON Make His Opening Speech as Candidate for Governor of Texas at 7:30 o'Clock Saturday, May 4th

On The Court House Lawn

There will be plenty of seats for all, and will be the first public gathering of citizens of this community who are interested in electing a Governor of Texas.

A rally and musical program will precede Mr. Jester's opening speech, which will be broadcast over the Texas State Network between 8:30 and 9:00 P. M.

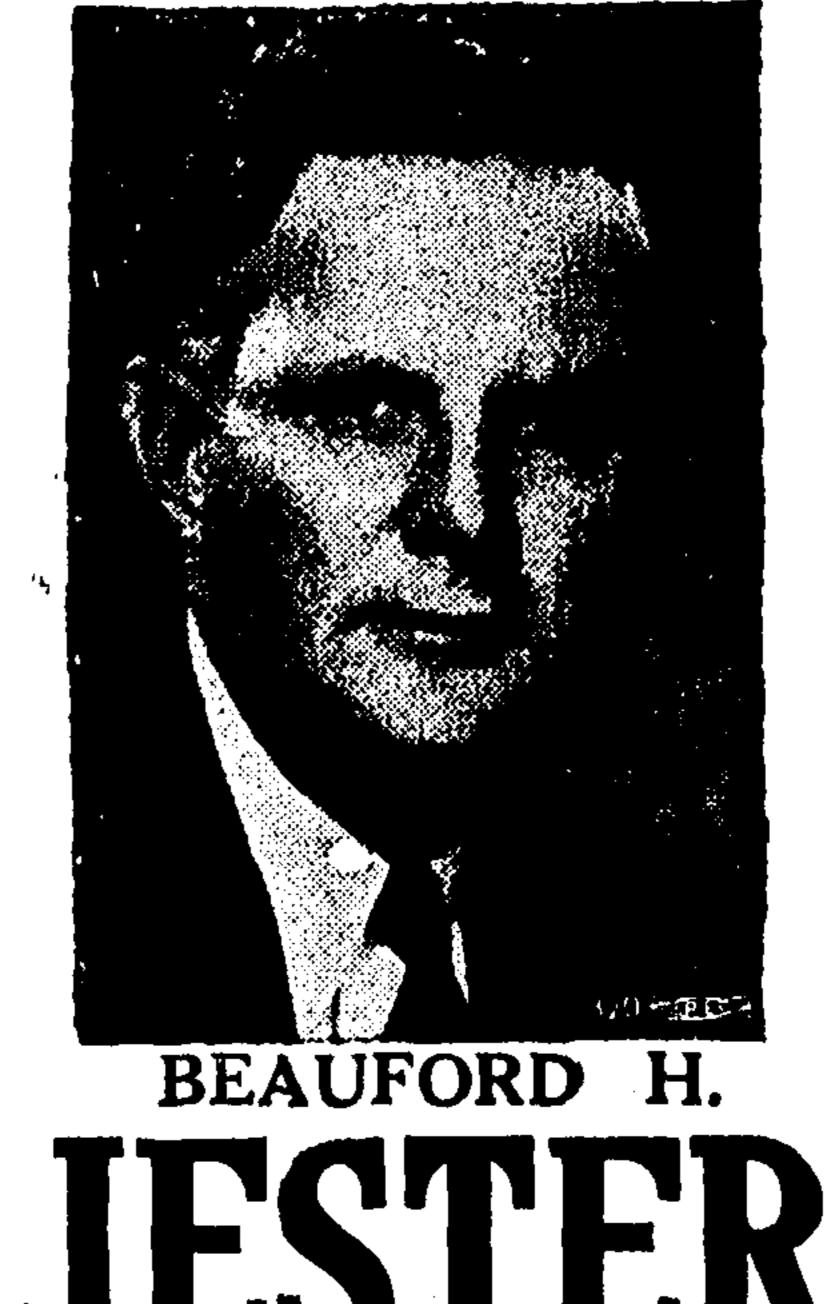

Corsicana and Navarro County have never had the honor of producing a Governor of our great State. Now is the time for our Community to Make History.

Beauford Jester, long prominent in state affairs, was best known as a successful lawyer in his home town, Corsicana, until his election to the Texas Railroad Commission almost four years ago. Born in 1893, he is the son of former Lieut. Governor (1894-98) and Mrs. George T. Jester. His mother still lives in the family home in Corsicana.

He is a practical farmer and stockman. Grandson of a Confederate veteran, he is a life-long Democrat who always has voted the Democratic ticket straight.

The Corsicana, Navarro County Candidate For Governor of Texas

says the Home, Church and Schools are the foundations of our society and well being. As Governor of Texas I shall ever strive to secure and strengthen these foundations in

Of Corsicana, Navarro County, Texas, Candidate for Governor of Texas.

Beauford Jester declares "The people of Texas are entitled to first consideration in all public matters," in announcing his candidacy for Governor of Texas, subject to the Democratic Primary of 1946.

Program For Public Rally Honoring Beauford H. Jester, Candidate for Governor of Texas—

Before the speaking there will be an old-fashioned public Rally and get-together of the people of the community. Special Music Will Be Rendered By—

JOHN BOLES

Of Greenville, Texas—of Motion Picture, Stage and Radio Fame.

Mr. Boles is a life-long friend of Mr. Jester, they graduating together from the University of Texas. Through this long friendship Mr. Boles volunteered to come to Corsicana and attend the rally given Mr. Jester and sing several solos.

There will be other attractions and announcements made at the rally. This will be a big event for Corsicana, Navarro County and surrounding community.

Committee in Charge of Arrangements for Public Rally are Joe E. Butler, Chairman; Fred H. Harvey, Tom L. Tyson, H. M. Montgomery, Fred Prince.
